HON. SECRETARY

The Executive Committee greets you all and conveys its sincere thanks for the continued support, cooperation and suggestions for the development of the Club from time to time. Our approach and efforts would not have fructified but for the involvement of you all.

RVCS's sole aim is to provide best in class amenities and service with a sense of belonging and networking of members

We have already 340 + members on our roll as on date and sure will be touching the 400 mark shortly. Our members are not only from Telugu states and also from all over India and overseas.

Since inception of RVCS, way back in 2014, a steady progress has been built with the active and committed involvement of all the members who are mostly young, energetic and ever willing to shoulder responsibilities in Society's activities.

As a Social responsibility, we have conducted medical camps at Ramavaram village on October 2nd, Gandhi Jayanthi with collaboration of Padmasree and Apollo Hospitals and medicos from Gayatri college. Similar activities are planned in other nearby areas in future.

With pleasure, we place before you the present state of progress of construction work of the club House which is in five floors with 40,000 sft carpet area is nearing completion. Seeing the pace of construction activities that are now, we may make our buildings fully functional in the coming year.

Ramavaram where our Club is situated, a sleepy village till recent past, now developmental activities are at a brisk pace because of serene atmosphere surrounded by lush green fields and hills around,. Many elite people from the city are constructing villas for pleasant stay. Tribal university, many housing projects by Government and Private sectors are coming up nearby,. Royal Vizag Club would certainly be a landmark destination at Visakhapatnam.

We have already drawn plans to seeking affiliations with some of the prestigious clubs at Hyderabad, Chennai, Bangalore, Coimbatore and other cities of South India for the benefit of our members to utilise the facilities during their visits.

We need to build a good corpus to carry out constructions activity and other infra works. Therefore, an appeal is made to all our members to personally focus on obtaining donations from the Well Wishers and also enlist new members from their circles. As part of this RVC conducted meetings at Vizag city, Gajuwaka, Anakapalli, Bhimavaram, Vijayawada & Hyderabad to spread the objectives of the club. The response at all these places was encouraging and good number of people have joined as Donor members. We are planning such meetings shortly in Bangalore, Chennai and others cities.

We are in the process of redesigning our website [www. Royalvizagclub.com](http://www.Royalvizagclub.com) and developing Mobile app to update the club activities from time to time.

Executive Committee note with appreciation the committed involvement and enthusiastic support shown by the Members in RVC activities. We express our sincere thanks to you all and look forward to work as a Team in future too. !

Regards,

Trinadha
